

**DINNER TABLE &
LIFEGROUP LEADERS' DISCUSSION REVIEW**

- ◇ What makes talking about Jesus in normal conversation so difficult? Give some ways this struggle can be overcome?

- ◇ Why do you believe Jesus says He has been given 'all authority' immediately preceding the command to make disciples? What does this mean to you personally?

- ◇ What are the three descriptive participles in the Great Commission?... and how do they modify the one command?

- ◇ Discuss how a believer effectively befriends those who are not yet Christians. Where could a believer hang out in order to develop relationships with the unsaved? What could this believer get involved in that would encourage relationships with the unsaved? What are some of the misperceptions that other believers can have of someone who is known as a 'friend of sinners'?

- ◇ What will you commit to doing or continue doing that will accomplish the response to questions #4?

- ◇ Pray for those who you have a relationship with who, as yet, do not have a relationship with God.
